

## Careeria sharing the joy with BBS Rotenburg celebrating the 20th anniversary as a European school May 9–10, 2019

*Mehr WIR, weniger ICH* – this was the wish from Sabine Berger, the Minister for Culture of Lower Saxony, to all us participating in the 20th anniversary of BBS Rotenburg being a EUROPASCHULE!

More than 30 international guests from Finland, the Netherlands, Slovakia, Iceland, Czech Republic, Latvia and Poland were warmly welcomed by the BBS Rotenburg principal Wolf Hertz-Kleptow and director of studies Erwin Eggers to join the festivities.

We had a wonderful opportunity to learn more about Lower Saxony by joining the organized tour to Cloppenburg Open Air museum including a delicious asparagus lunch and visit to the Meyer Shipyard, founded in 1737, the world's leading builder of big cruise ships and passenger ferries (who bought the Turku shipyard and maintained the employment in the area).

The main event was connected with Europe Day 2019 and was celebrated together with local authorities and BBS Rotenburg staff.

As Wolf Hertz-Kleptow mentioned – *Auf dem Weg nach Europa, wir gehen diesen Weg weiter, Bildung verbindet*, for a united and inclusive Europe!

Congratulations Rotenburg!

Sari Gustafsson, Anita Eglite-Osmane, Katja Kangasmäki, Bryan Roberts and Jukka Hakala participated the festivities and made new international contacts and potential partners.
